PREMIO LISSONE 2012

The Museo d'Arte Contemporanea of Lissone, with the purpose of continuing and enhancing artistic experience and research in its multiple expressive languages, invites you to participate in the Premio Lissone 2012, with its first phase scheduled for 13 October 2012 (by which date the entries have to be submitted to the award). For this purpose, I enclose the competition regulations and an entry form.

A jury, after careful assessment which will take into account the originality and coherence of the artistic research as well as the artistic qualities of the candidate, will shortlist 30 artists under 35, who will be invited to present their works.

The Premio Lissone 2012 consisting of a purchase prize of € 10.000,00, before tax, will be assigned to the winner on 15 December 2012.

I look forward to seeing you among the entrants in this new edition of the Premio Lissone.

Yours sincerely,

The Cultural Officer
Elio Talarico
